Advisory Circular

Subject: ANNOUNCEMENT OF AVAILABILITY OF
ADVISORY CIRCULAR 25-7; FLIGHT TEST
GUIDE FOR CERTIFICATION OF TRANSPORT
CATEGORY AIRPLANES

Date: 7/17/86

Initiated by: ANM-110

AC No: 25-7

Change:

1. PURPOSE. The purpose of this announcement is to provide notice to users of the Federal Aviation Administration (FAA) advisory circular (AC) system that Advisory Circular 25-7, Flight Test Guide for Certification of Transport Category Airplanes, dated April 9, 1986, is available as a sale document from the Superintendent of Documents. Although this announcement bears the same number as the AC itself, the actual AC is available only through purchase, as described below.

2. DESCRIPTION OF THE PUBLICATION. Advisory Circular 25-7 provides guidelines for the flight test evaluation of transport category airplanes. The guidelines provide an acceptable means of demonstrating compliance with the applicable airworthiness requirements. The methods and procedures described in the AC have evolved through many years of flight testing of transport category airplanes and, as such, represent current certification practice. They are derived from previous FAA experience in finding compliance with the airworthiness requirements and represent the methods and procedures found to be acceptable by that experience.

3. HOW TO ORDER.

a. Copies of AC 25-7 may be ordered from: Superintendent of Documents, U.S. Government Printing Office, Washington, D.C. 20402, or from any of the Government Printing Office bookstores located in major cities throughout the United States.

b. Identify the publication as AC 25-7, Flight Test Guide for Certification of Transport Category Airplanes, Stock Number 050-007-00739-6.

c. The cost of AC 25-7 is \$5.00. Send check or money order with your request, made payable to the Superintendent of Documents. Orders for mailing to foreign countries should include an additional 25 percent of the total price to cover handling. No c.o.d. orders are accepted.

LEROY A. KEITH
Manager, Aircraft Certification Division, ANM-100
